

South Fork Wind Farm

Field survey summary

Ørsted and Eversource are conducting surveys within publicly-owned road rights-of-way (ROW) in the Town of East Hampton for the South Fork Wind Farm project.

Where:

- Areas include portions of Beach Lane, Wainscott Main Street, Sayre's Path, Wainscott Stone Road, and Wainscott Northwest Rd. Additionally, areas near the intersections of the following roads with the Long Island Rail Road corridor: Daniels Hole Rd, Stephen Hands Path, Buckskill Rd.
- **No fieldwork will be conducted on private properties.**

What & when:

The following surveys are planned to be completed by April 30, 2020. Work is scheduled to occur on weekdays between 7:00 a.m. and 7:00 p.m. as follows:

- **Geotechnical surveys** in Town ROW beginning March 23:
A total of seven soil borings and one percolation test
- **Archaeology surveys** in Town ROW beginning March 30:
Hand dug test pits along the unpaved shoulder
